

STATE OF HAWAII
NOTICE OF AND REQUEST FOR EXEMPTION
FROM CHAPTER 103F, HRS

14 JUN 26 08:07

ADMINISTRATION
STATE PROCUREMENT OFFICE
STATE OF HAWAII

To: Chief Procurement Officer

From: Department of Human Services/Office of Youth Services
Department/Division/Branch or Office

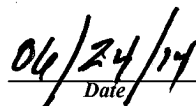

Pursuant to § 103F-101(a)(4), HRS, and Chapter 3-141, HAR, the Department requests a procurement exemption to purchase the following:

1. Title and description of health and human service(s):	
Community Youth Justice program, an aina-based, culturally relevant and/or spiritually grounded effort to mentor and prevent at-risk and court-involved youth from further contact within Hawaii's juvenile justice system. These services include the restoration of cultural sites, preparation and maintenance of lo'i, Ho'oponopono, canoe building, kupuna-youth mentoring and other related cultural activities and practices.	
2. Provider Name and Address:	Various.
3. Total Contract Funds:	\$0
Contract Funds per Year (if applicable):	
4. Reference number of Previous Request for this Service (if applicable):	PEH No. 14-11
5. Term of Contract:	Start: 11/1/14 End: 6/30/15
6. Describe how procurement by competitive means is either not practicable or not advantageous to the State:	
There is an exemption approval for the period 11/1/13 to 10/30/14 (PEH No.14-11). This request is for a no-cost extension to 6/30/15 due to a late start in contract development and specification. Thus, there is a continuous need to engage community-based organizations and individuals (Kupuna, etc.) who have been serving youths over the years with culturally-relevant practices and activities. These are small-scale organizations and individuals used by families, schools, and others to instill values and build relationships and life skills to eventually produce good character and citizenship for at-risk and court-involved youths. On a case-by-case basis and specifically in the best interest of the youths referred by the juvenile justice system, services will be determined and agreed upon by OYS, youth and families, and other appropriate juvenile justice people. The cost of the services will vary upon the needs of the youths and families to be served.	
7. Describe the reason for the selection of the provider including a description of how the procedure ensured the maximum fair and open competition practicable:	
Providers continue to be selected based on their location, willingness and ability to work effectively with at-risk and court-involved youths. A minimum amount of \$100.00 and a maximum amount of \$10,000.00 will be awarded for the type of services to be provided, number of youths and families to be served, the outcomes and impact within their respective community, and how funds will be used. An evaluation tool will be developed using the SPO evaluation and rating method as a guide.
